DECLARATION

I, James M. Coughlin, Jr., President of L.C.C. Media, Inc., licensee of WVNV(FM), Malone, New York, hereby declare, under penalty of perjury, that the following statements are true and correct to the best of my knowledge and belief.

1. In May of 1993, I learned from the Franklin County Industrial Development Agency ("FCIDA") and the U.S. Census Bureau that the total annual retail trade for the Chateaugay/Malone, New York area for 1989 amounted to about \$30 million. I further learned that ten radio stations currently serve the Malone market

vacancies out of eleven storefronts. Furthermore, 39% of the local economy relies on the state government for employment.

4. Additionally, I am the President of L.C.C. and General Manager of WVNV(FM) and WICY(AM). I am also a resident of Malone, New York. I have lived in the Malone area for twenty-five years and have been associated with AM station WICY for twenty-four years. My civic activities and positions in Malone include: Director, Malone Chamber of Commerce; Member, Malone Rotary Club; Member, Franklin County Agricultural Society; Member, Malone Lodge of Elks. The other shareholders, officers and directors of L.C.C. are also residents of Malone. The Vice President of L.C.C., Mr. Richard LeVigne, is a life-long, fifty-year resident of Malone and is involved with the following civic organizations: Franklin County Industrial Development Agency; Malone Chamber of Commerce; Malone Hotel, Motel and Restaurant Association; and Alice Hyde Hospital Association.

5. As General Manager of WICY and WVNV, I know that WICY produces ten news broadcasts daily, Monday through Friday, and two each day on the weekends. WVNV(FM) airs three additional news and public affairs broadcasts each weekday and one additional broadcast on Saturdays and Sundays. Also, WICY allows local churches to broadcast their Sunday services once a week. WICY and WVNV solicit commentary and opinion from local officials as well as the general public on local issues. WICY and WVNV encourage public access to their broadcasts. WICY and WVNV broadcast countless hours of public service announcements annually.

6. I am responsible for all aspects of running WVNV and WICY including: supervising news coverage of local events
